----------------------------------------2--------------------
```

Verse:

```
-------------------------------------------------------------
-------------------------------------------------------------
-------------------------------------------------------------
--5h7-7-7-7-5h7-7-7-7-5h7-7-7-5h7-7-7-7-5h7-7-7-7-5h7-7-7-Repeat
--0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-0-----
-------------------------------------------------------------
```

Chorus'

A G F
A C F
A G F
A C F

Riff in Chorus

```
-----------------
-----------------
---7b9b7p5------- Play this between each chord
-----------5-----
-----------------
-----------------
```

Solo / Bridge
“What we need is a real uprising”

```
    C                    F
-------------------------------------------------------------
8/10/8-------8/10/8-------8/10/8-------8/10/8-----------------
----------------------------------------------------Repeat---
--------5------------5------------5------------5-------------
-------------------------------------------------------------
-------------------------------------------------------------
```

Ending

Just mess around in A minor
And when I end the song, I usually just hit all the strings open and fade out w/ volume
